

## God Is Good (Ken How 20-09-2016)

I submitted myself to Jesus by reaching out to him when I had challenges and difficulties. The recent exam had made a miracle to me which I did not expect. My results were poor and I was emotionally hurt from this incident. In order to continue my study, I needed to write an appeal letter to the dean. I prayed to Jesus for guidance and wisdom and had a good time of reflection about myself before God. God worked out his plan by leading me to Pastor Ken Choo and Brother Michael Foong, a Christian friend.

The Lord guided me to the right path when I was in the verge of despair. He opened a new door of opportunity for me. Two days after I sent in the appeal letter, I received a reply that my appeal had gone through and the school allowed me to continue my study program. Our Lord Jesus answered my prayers! I am glad to have Pr. Choo and Bro. Michael to be at my side when I was in difficulty. This journey helps me to recognize that our Lord Jesus Christ is our hope, strength and peace. I am thankful to God that he will lead me through, and indeed, he has a wonderful plan for me in life.
